1914 fixing the scales of pay of the Head Sanjamen of the Malaria Establishment in the Bangalore City Mcty

Letter No MS-C 509/47 dated the 16th June 1948 from the Mc Commr Bangalore City Mcty on the subject

The Mc Commr states that the scales of pay of the Head Sanjamen of the Malaria Establishment was fixed in the year at Rs 18-½-22 along with the other members of the Dept and that on the representation of these men, the Mcc have approved the recommendation of the Managing committee to fix them a scale of Rs 25-1-30 as is given to the Conservancy Duffedars the Mc Commr requests sanction of Govt to the resolution of the Mcc

2) It is not stated how many head sanjamen there are

3) This establishment is a temporary one further, the scales of pay which is applied

MR 7914

one has been already revised
— HRs 18-1/2-22 There is no
necessity to revise it still further
nature of
the work done by them does not in
anyway differ from the work done by the
existing Engineers. The resolution does not
specifically refer to the Head Engineers
Their placement proposals do not also give
an idea of the financial implications
for the above reasons, the proposal may
not be approved.

Ml 4493 Revising the scale of pay of the Head Gangmen of the Malaria Establishment Bangalore City Mlly

Letter No A5-C 509/47 dated the 11th December 1948 from the Municipal Commissioner Bangalore City on the subject

7) The Ml Commr reports that though the Establt is a temporary one, it is being continued year after year in the interest of sanitation & that the work is also continuous

There are, it is stated 42 gang men doing this work & the Head Gangmen have to supervise their work drawing the same scale of pay. Hence the need to revise the scale of Pay of Head Gangmen to Rs 25-1-30

8) He further states in this connection that the designation noted in the resolutions of the Managing Committee and the Ml. Cl is "Gangmen" and this is done to oversight and what

ML
4493

Revising the scale of pay of the
Head Gangmen of the Malaria Staff
in Blood City Hilly
is actually meant to Head Gangmen.
He therefore requests that the designation
may be taken as Head Gangmen. This
is for orders

9/ He states that the extra cost involved
is Rs 636/- per annum in this
revision for 8 Head Gangmen
and has enclosed a proposition
Statement. This Statement shows
the old scale of Rs 16, 15-1/2 under
"existing scale" and Rs 18-1/2-22
under "Proposed scale", whereas
the existing scale as per the revised
scale is 18-1/2-22 and the proposal
of the ML Cl is to fix the revised rate
to Rs 25-1-30 to be on a par with the scale
allowed to Conservancy Duffadars. This
proposed scale shown in proposition statement
is evidently a mistake & the proposition
Statement will be returned to the ML Comm
for resubmission after noting the correct
figures therein. Submitted for orders

With reference to your letter No A5 C 509/47 dated the 16th June 1948 on the above subject, I am directed to observe that this establishment is a temporary one and that the fixed scales of pay of these posts have also been revised to a graded one viz , Rs 18-½-22 Hence the necessity to revise the pay still further so soon is not apparent Further, there is no reference to the Head Gangmen at all either in the resolution of the Managing Committee dated 15th May 1948 or of the Municipal Council dated 31st May 1948 These proposals are also made piecemeal with the result that the financial implications thereof could not also be known Hence this case may be included in the consolidated proposition statement which has already been called for and the question of according sanction to it will then be considered

SIR,

Subject - FIXING THE SCALES OF PAY OF THE HEAD GANGMEN OF THE MALARIA ESTABLISHMENT IN THE BANGALORE CITY MUNICIPALITY

With reference to your letter No L 613 of 16-7-48 and subsequent reminder No L 5947 of 1-12-48 on the above subject, I have the honour to state that the Establishment though a temporar one is being continued year after year in the interest of the sanitation of the City and the nature of work is cumbursome i e , they have to work in the whole City area and spot out places breedi mosquitoes and attend to DDT spraying work Forty-two gangmen are working under them on the same scales of pay The Health Offi in consideration of these facts has recommended to treat the cases of these Head Gangmen on a par with the Conservancy Daffedars whose scales have been revised to Rs.25-1-30

There are 42 gangmen in the Malaria Establishment, whose scales have been revised and their scales fixed in grade 18-½-22 There is no question of any revision to the gangmen

The present question is to revise the scales of the Head-gangmen, as per the scales noted in the proposition statement enclosed herewith The designation noted in the Managing Committee and the Council Resolution, is by over-sight, but it is noted as Head Gangmen in the office note It is therefore requested that

that the designation may be taken as Head Gangmen

An extra cost of Rs 636/- per annum is involved in this connection

As observed in the last para of your letter under reply this case has been included in the consolidated proposition statement sent to Government with this office letter No A5-C 206/47 of 8-10-48

Subject — Revision of the scale of pay of the Head Gangmen of the Malaria Establishment in the Bangalore city Municipality from Rs 18-½-24 to Rs 25-1-30

Sir,

With reference to your letter No A 5 C 509/47 dated the 11th December 1948 requesting sanction of Govt to the resolution of the Municipal Council to revise the scale of pay of the Head Gangmen

of the Malaria Establishment from Rs 18-½-22 to Rs 25-1-30, I am directed to point out that the proposition Statement sent in support of the above proposal, shows the grade of Rs 18-½-22 under "Proposed Scale" and the old fixed pay Rs 16, 15-1-12 which existed before, under "Existing Pay" even after the Rate has been revised to Rs 18-½-22

There is discrepancy between the statements made in the letter and the proposition Statement. The proposition Statement is therefore returned for modification & retransmission
